Gizmo's Gentle Heart

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

A tiny heart, a gentle paw, a spirit bright and bold,
My little soul animal, a story to unfold.
You journeyed by my side, through every road we'd roam,
A faithful friend, a loving guide, you always felt like home.

Chorus

Oh, Gizmo, my sweet Gizmo, for fifteen precious years,
You filled my world with joy and love, and chased away my fears.
You touched the lives of everyone, with love so pure and deep,
A precious bond, a gentle sun, secrets our hearts will keep.

Verse 2

The moment that I walked the door, your happy bark would ring,
Such pure excitement, wanting more, the joy your greeting would bring.
A wagging tail, a joyful leap, a playful, loving glance,
So many memories we keep, a lifetime's gentle dance.

Chorus

Oh, Gizmo, my sweet Gizmo, for fifteen precious years,
You filled my world with joy and love, and chased away my fears.
You touched the lives of everyone, with love so pure and deep,
A precious bond, a gentle sun, secrets our hearts will keep.

Bridge

You will always be my soul baby, my heart will never stray,
I look forward to spending eternity, with you by my side someday.
Beyond the stars, where spirits soar, our journey will resume,

Gizmo's Gentle Heart (continued)

Together once again, forevermore, dispelling every gloom.

Instrumental - piano, cello

Final Chorus

Oh, Gizmo, my sweet Gizmo, for fifteen precious years,
You filled my world with joy and love, and chased away my fears.
You touched the lives of everyone, with love so pure and deep,
A precious bond, a gentle sun, secrets our hearts will keep.

Outro

Now resting on your grandma's lap, peaceful and content you seem,
Visiting those kind senior souls, living a gentle dream.
Running free in fields of light, no shadows, no more pain,
My sweet soul baby, shining bright, until we meet again. - guitar fade

Forever in our hearts
