# Napoleon's Happy Bark

*A Tribute Song*

---

## Intro

Acoustic guitar

## Verse 1

The sound of a bark, so loud and clear,  
Each time I'd walk through that front door, my dear.  
You'd jump and wag, with so much might,  
Ready for walks, bathed in morning light.  
My little Dachshund, with eyes so bright,  
A happy greeting, pure delight.  
You knew the word, the leash in my hand,  
The happiest boy in all the land.

## Chorus

Oh, Napoleon, my loyal friend,  
Nine precious years, until the end.  
A love like ours, a guiding spark,  
Left its sweet imprint, a happy bark.

## Verse 2

On the couch, we'd watch the game unfold,  
Stories of players, brave and bold.  
I'd pet your fur, so soft and warm,  
Safe from every gentle storm.  
But stop too soon, a rumbling sound,  
A little growl, your love profound.  
To make me start again, your sweet command,  
My hand returned, across the land.

## Chorus

---

*Napoleon's Happy Bark (continued)*

Oh, Napoleon, my loyal friend,  
Nine precious years, until the end.  
A love like ours, a guiding spark,  
Left its sweet imprint, a happy bark.

**Bridge**

From the very first day, my heart knew it's true,  
I loved you completely, from the moment I got you.  
Every paw print, every gaze, every sweet sigh,  
A bond unbroken, reaching for the sky.

**Instrumental**

**Harmonica and acoustic guitar**

**Final Chorus**

Oh, Napoleon, my loyal friend, (my loyal friend)  
Nine precious years, until the end. (until the end)  
A love like ours, a guiding spark,  
Left its sweet imprint, a happy bark.

**Outro**

Now you're running free, on endless ground,  
Long walks and treats, all around.  
No more fences, no more fear,  
Just peace and joy, forever near.

**Acoustic guitar fade**

*Forever in our hearts*
