

Remembering Ollie

Custom Pet Memorial Songs

Max's Wild Wind

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The first sound I recall, clear and bright
Your click on the floor, day and night
A loyal German Shepherd, strong and true
My world felt safer, all thanks to you

Chorus

Oh, Max, my dearest friend, twelve years we shared
A love so deep, beyond compare
Your spirit shines, a guiding star
No matter where you are, you're not so far

Verse 2

I still recall the mischief in your eye
When tissues vanished, soaring high
But then we'd rest beneath the trees
Listening to the bird's sweet melodies
In gentle shade, our spirits entwined
Sweet peace and quiet, one of a kind

Chorus

Oh, Max, my dearest friend, twelve years we shared
A love so deep, beyond compare
Your spirit shines, a guiding star
No matter where you are, you're not so far

Bridge

Run like the wind Maxie, free and bold

Max's Wild Wind (continued)

A story of love, forever told
Beyond this life, our spirits will mend
Until we meet again, my dearest friend

Harmonica Solo

Final Chorus

Oh, Max, my dearest friend, twelve years we shared
A love so deep, beyond compare
Your spirit shines, a guiding star
No matter where you are, you're not so far

Outro

Now through the woods, you freely roam
Chasing rabbits, far from home
Drinking from the creek, cool and deep
While in my heart, your memories I keep

Outro - acoustic guitar fade

Forever in our hearts
