Gigi's Gentle Play

A Tribute Song

Intro - Piano, Harp

Verse 1

A little white shadow, soft and so grand,
Always outside, a joy in the land.
A playful spirit, with a happy bark,
Right by our side, shining bright in the dark.

Chorus

Oh, Gigi, our sweet, precious girl,
You brought so much light to our world.
Seventeen years and two months we shared,
A love beyond measure, truly declared.

Verse 2

When day turned to dusk, and the chores were all done,
Our favorite moments, beneath the setting sun.
Waiting by the doorway, with a wagging tail,
Your loving greeting, that would never fail.

Chorus

Oh, Gigi, our sweet, precious girl,
You brought so much light to our world.
Seventeen years and two months we shared,
A love beyond measure, truly declared.

Bridge

We will always love you, our dear friend so true,
Run after squirrels, cats, and birds too.
Enjoy your new home, in heaven above,

Gigi's Gentle Play (continued)

Forever surrounded by our endless love.

Instrumental - Cello, Piano

Final Chorus

Oh, Gigi, our sweet, precious girl,
You brought so much light to our world.
Seventeen years and two months we shared,
A love beyond measure, truly declared.

Outro

Now playing with friends, under skies bright and blue,
Sleeping so soundly, peaceful and true.
Your spirit runs free, beyond every pane,
Until we shall meet, again and again.

Forever in our hearts
