# Alfie's Golden Nudge

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

**Verse 1**

Little Cavoodle, soft and bright,  
A furry shadow, pure delight.  
You'd hop right up beside me then,  
And nudge my hand, again and again.  
Just for a pat, a gentle touch,  
You loved those moments oh so much.  
On the old couch, a comfy place,  
A happy smile upon your face.

**Chorus**

Oh, Alfie, our lil boy so true,  
Nine precious years we spent with you.  
A love like yours, a shining star,  
No matter how far you are.

**Verse 2**

Then nighttime came, a special bond,  
Your sleepy head, a soft beyond.  
Those cozy snuggles, warm in bed,  
Sweet dreams of chasing in your head.  
And when we'd walk in through the door,  
You'd wait for us, then ask for more.  
A wagging tail, a joyful sound,  
The happiest boy we ever found.

**Chorus**

Oh, Alfie, our lil boy so true,  
Nine precious years we spent with you.

*Alfie's Golden Nudge (continued)*

A love like yours, a shining star,  
No matter how far you are.

**Bridge**

Thank you for all the joy you gave,  
A precious life we couldn't save.  
For unconditional love so deep,  
Sweet laughter that our hearts will keep.  
Nine years of light, a gentle guide,  
Forever by our loving side.

**Guitar Solo**

**Final Chorus**

Oh, Alfie, our lil boy so true,  
Nine precious years we spent with you.  
A love like yours, a shining star,  
No matter how far you are.

**Outro**

Now running free in golden sun,  
Your favorite treats, for everyone.  
Beyond the clouds, a peaceful sleep,  
The memories we'll always keep.

**Outro - guitar fade**

*Forever in our hearts*
