# Chika's Loving Footsteps

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

**Verse 1**

The pitter-patter sound you made,  
Through every room your presence swayed.  
A tiny shadow, black and white,  
Just hoping for a tasty bite.  
Beneath the table, keen of eye,  
A gentle, hopeful, longing sigh.  
Our sweet Maltese, so full of grace,  
You brightened up our dwelling place.

**Chorus**

Oh, Chika, sixteen years so bright,  
You filled our days with pure delight.  
A loyal heart, a spirit free,  
Forever cherished, you'll always be.

**Verse 2**

The moment that I walked inside,  
Your playful spirit couldn't hide.  
A chase around the living room,  
Dispelling every hint of gloom.  
Your joyful barks, a happy sound,  
The sweetest welcome to be found.  
Each wagging tail, a loving glance,  
A lifetime in a playful dance.

**Chorus**

Oh, Chika, sixteen years so bright,  
You filled our days with pure delight.

*Chika's Loving Footsteps (continued)*

A loyal heart, a spirit free,  
Forever cherished, you'll always be.

**Bridge**

The words we whispered, soft and true,  
The best dog ever, Chika, was you.  
We'll miss you deeply, every day,  
Your love will guide us on our way.

**Harmonica solo**

**Final Chorus**

Oh, Chika, sixteen years so bright,  
You filled our days with pure delight.  
A loyal heart, a spirit free,  
Forever cherished, you'll always be.

**Outro**

Now on the beach, you freely roam,  
Beyond the waves, you've found your home.  
Through golden sand and ocean spray,  
Chika, you play forever and a day.

**Outro - guitar fade**

*Forever in our hearts*
