

Remembering Ollie

Custom Pet Memorial Songs

Shelby's Gentle Snuggle

A Tribute Song

Intro - piano, cello

Verse 1

The day you came, a tiny sight,
A little Chihuahua, pure delight.
You fit right there within my palm,
Keeping me safe from every harm.
Into my purse, you'd softly tuck,
Bringing me comfort, endless luck.
My constant friend, so small and true,
Every adventure, I shared with you.

Chorus

Oh Shelby, sweet Shelby, my dear,
You blessed my life for fifteen years.
A love so pure, a bond so deep,
Memories of you I forever keep.

Verse 2

When bedtime came, the day would cease,
You'd bring my weary heart such peace.
Snuggled so close beside my head,
Sharing my pillow on the bed.
A little sigh, a gentle dream,
A quiet, comforting, loving stream.
Your warmth beside me, soft and mild,
My precious, sweet, and tiny child.

Chorus

Oh Shelby, sweet Shelby, my dear,
You blessed my life for fifteen years.

Shelby's Gentle Snuggle (continued)

A love so pure, a bond so deep,
Memories of you I forever keep.

Bridge

Though tears may fall and sadness stays,
I whisper love through darkest days.
You're safe now with Granny Nell,
And sweet Naomi, all is well.
I love and miss you, my sweet pup,
Your spirit lifts my heart right up.

Instrumental - piano, strings

Final Chorus

Oh Shelby, sweet Shelby, my dear,
You blessed my life for fifteen years.
A love so pure, a bond so deep,
Memories of you I forever keep.

Outro

Now curled up in a little ball,
Hiding your nose, beyond the wall.
Peaceful slumber, soft and deep,
Forever in my heart, you sleep.

Outro - piano fade

Forever in our hearts
