

Remembering Ollie

Custom Pet Memorial Songs

Izzy's Everlasting Embrace

A Tribute Song

Intro - piano, strings

Verse 1

From eight weeks old, a tiny, sweet delight
You came into my life, a pure and shining light
A Shih Tzu heart, the kindest I have known
Such deep affection, truly all your own
With doggy kisses, snuggled close at night
Upon the sofa pillow, bathed in soft moonlight
You loved each person, with a wagging tail
Your gentle spirit, could never ever fail

Chorus

Oh Izzy, my sweet girl, for seventeen years and more
You filled our home with love, from ceiling to the floor
Every memory a treasure, a comfort to recall
You gave your heart so freely, you truly gave your all

Verse 2

I'd wake to tiny paws, crawling up my bed
Morning kisses given, words were left unsaid
You wouldn't stop, a loving, soft demand
A paw upon my chest, a lick upon my hand
Your joyous greeting, every single day
Chased all the shadows, always kept them far away
A loyal friend, a spirit so profound
The sweetest presence, always to be found

Chorus

Oh Izzy, my sweet girl, for seventeen years and more
You filled our home with love, from ceiling to the floor

Izzy's Everlasting Embrace (continued)

Every memory a treasure, a comfort to recall
You gave your heart so freely, you truly gave your all

Bridge

Now just three months shy of eighteen, you had to gently leave
And though my heart is broken, and for you I often grieve
I loved you all your life, from sunrise to the stars
And I will miss you for the rest of mine, beyond these earthly scars

Instrumental - cello, violin

Final Chorus

Oh Izzy, my sweet girl, for seventeen years and more
You filled our home with love, from ceiling to the floor
Every memory a treasure, a comfort to recall
You gave your heart so freely, you truly gave your all

Outro

Now you are playing with Mom, and Fenway, free and bright
Running through soft meadows, bathed in endless light
A gentle, peaceful slumber, dreams of sunlit skies
Forever in our hearts, behind our tear-filled eyes

Outro - piano fade

Forever in our hearts
