Stella's Blue-Eyed Sky

A Tribute Song

Intro - piano, gentle synth pads

Verse 1

From puppy car rides, a joyful start,
You barked and howled, a happy art.
With every ball throw, such sweet delight,
And lots of kisses, morning, noon, and night.
A rescue heart, so pure and true,
Our family grew, embraced by you.
A loyal spirit, strong and free,
The sweetest dog for us to see.

Chorus

Oh, Stella, our Stella, for eight sweet years,
You wiped away our every tear.
A love so deep, a bond so strong,
Where you belong, you'll always belong.

Verse 2

The morning sun, upon the grass so green,
Your happy dance, a cherished scene.
Playing ball out front, your greatest joy,
A game with you, no toy could cloy.
Big sister to Rocky, Ginger, and Eleanor,
You guided them, opened every door.
With gentle paws and watchful eye,
You taught them well, beneath the sky.

Chorus

Oh, Stella, our Stella, for eight sweet years,
You wiped away our every tear.

Stella's Blue-Eyed Sky (continued)

A love so deep, a bond so strong,
Where you belong, you'll always belong.

Bridge

Our perfect blue-eyed girl, we miss you so,
Run free and play ball, let your spirit glow.
Always in our hearts, a flame alight,
Till we meet again, our angel, shining bright.

Instrumental - cello, acoustic guitar

Final Chorus

Oh, Stella, our Stella, for eight sweet years,
You wiped away our every tear.
A love so deep, a bond so strong,
Where you belong, you'll always belong.

Outro

Now in puppy heaven, running free,
Playing ball with Bailey, for all to see.
A peaceful slumber, soft and deep,
Your loving memory, we forever keep.

Outro - piano fade

Forever in our hearts
