Lilbit and the Morning Pier

A Tribute Song

Intro - acoustic guitar, ukulele

Verse 1

The sun would rise, a brand new day,
You'd greet me in your gentle way.
A wagging tail, a soft warm nudge,
My shadow then, you wouldn't budge.
A faithful Lab, so full of grace,
Always right there, in your special place.
You taught me lessons, pure and true,
In every single thing you'd do.

Chorus

Oh, Lilbit, my sweet, loyal friend,
Thirteen years until the very end.
A heart so big, a love so deep,
Memories of you, my heart will keep.

Verse 2

Those morning walks upon the pier,
Chasing the gulls, banishing fear.
The salty air, the ocean's call,
You'd give your happy bark to all.
A joyful spirit, light and free,
Always right there beside me.
The quiet moments, close and near,
Whispering secrets, year by year.

Chorus

Oh, Lilbit, my sweet, loyal friend,
Thirteen years until the very end.

Lilbit and the Morning Pier (continued)

A heart so big, a love so deep,
Memories of you, my heart will keep.

Bridge

Now in the quiet, I close my eyes and see,
A final whisper, just for thee.
I love you, swim free, enjoy the sand beach,
A perfect haven, just within reach.

Instrumental - harmonica, guitar

Final Chorus

Oh, Lilbit, my sweet, loyal friend,
Thirteen years until the very end.
A heart so big, a love so deep,
Memories of you, my heart will keep.

Outro

Now swimming free in waters blue,
Rolling in white sand, I picture you.
A peaceful dream, beneath the sun,
Your beautiful journey, gently done.

Outro - guitar fade
