Bailey's Gentle Watch

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

From the moment you arrived, a tiny, precious friend,
Your sweet, soft fur, a joy that seemed to never end.
A belly rub a day, that's all you truly asked,
And when I'd say "I Luv Bailey," your pure love was unmasked.
Always at my side, a shadow close and true,
Even to the "piggers," you'd come along there too.
A little mix of courage, spirit, and delight,
You filled our days with laughter, making everything feel right.

Chorus

Oh, Bailey, dear Bailey, a loyal, precious soul,
For four sweet years you made our little world feel whole.
A silent understanding, a love that knew no bounds,
The sweetest little heartbeat, the softest, happy sounds.

Verse 2

When evening fell upon us, and the day was put to bed,
On the swing, watching chickens, quiet moments we had spread.
Or nestled in my lap, with the TV softly bright,
Your gentle, rhythmic breathing, a comfort in the night.
Those moments were our treasures, simple and profound,
The safest place on earth was wherever you were found.
With watchful eyes so steady, you kept the world at bay,
A tiny, mighty guardian, through every single day.

Chorus

Oh, Bailey, dear Bailey, a loyal, precious soul,
For four sweet years you made our little world feel whole.

Bailey's Gentle Watch (continued)

A silent understanding, a love that knew no bounds,
The sweetest little heartbeat, the softest, happy sounds.

Bridge

Now the quiet hours linger, where your presence used to be,
But in my heart, your spirit, will always live with me.
A whispered truth I carry, through every coming dawn,
My sweet, beloved Bailey, "I Luv Bailey," always on.

Guitar Solo

Final Chorus

Oh, Bailey, dear Bailey, a loyal, precious soul,
For four sweet years you made our little world feel whole.
A silent understanding, a love that knew no bounds,
The sweetest little heartbeat, the softest, happy sounds.

Outro

I know you're keeping watch now, over our home so dear,
Making sure no one breaches your world, dispelling every fear.
Or playing free with Bella, beneath the sky so wide,
My little gentle Bailey, forever at my side.

Outro - harmonica fade
