Zoey's Gentle Soul

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Little Zoey, so small and bright
With Sarah, walks bathed in light
Every person, every dog you'd greet
With a wagging tail, so sweet
A friendly spirit, always near
Chasing worries, calming fear
Your beagle heart, so full and deep
Secrets with Pa you would keep.

Chorus

Oh, Zoey, Zoey, gentle soul
For sixteen years, you made us whole
A love so pure, a bond so true
Forever grateful, just for you.

Verse 2

We'd lay together, side by side
Nowhere else I'd rather hide
Your soft fur warm against my cheek
A silent comfort we would seek
Your gentle sighs, a peaceful sound
The truest friendship we had found
A little queen, in spirit grand
The best companion in the land.

Chorus

Oh, Zoey, Zoey, gentle soul
For sixteen years, you made us whole

Zoey's Gentle Soul (continued)

A love so pure, a bond so true
Forever grateful, just for you.

Bridge

We love you so, with all our might
You'll live forever, shining bright
Within our souls, your light will glow
A love like yours, we'll always know.

Instrumental - cello, piano

Final Chorus

Oh, Zoey, Zoey, gentle soul
For sixteen years, you made us whole
A love so pure, a bond so true
Forever grateful, just for you.

Outro

Now you're running, free and light
In the dog park, day and night
With all your friends, a joyful quest
Carrots and cheese with Pa, at rest
Ears rubbed softly, dreams so sweet
Our dearest Zoey, complete.

Outro - piano fade
