

Remembering Ollie

Custom Pet Memorial Songs

Shinobi's Gentle Breeze

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

Little Maltese, with a coat so bright
My first clear memory, a wondrous sight
Waiting patiently on the window sill
Watching the world, forever standing still
A tiny shadow, so gentle and keen
The sweetest welcome, I'd ever seen
With gentle paws and eyes so deep
My precious secrets you would keep

Chorus

Oh, Shinobi, my dear friend so true
Fifteen years and more, I spent with you
Through every season, calm and storm
You kept my spirit safe and warm

Verse 2

The car window down, a joyous treat
Wind on your face, so wild and sweet
Your ears flying back, a happy blur
A moment of pure, unbridled stir
With every breath, a laugh unheard
You lived each second, without a word
A playful spirit, always so free
That joyful image stays with me

Chorus

Oh, Shinobi, my dear friend so true
Fifteen years and more, I spent with you

Shinobi's Gentle Breeze (continued)

Through every season, calm and storm
You kept my spirit safe and warm

Bridge

I recall your last happy bound
To a neighbor's child, without a sound
Letting her pet your soft, gentle head
Your happy tail wagged, no words were said
A final kindness, for all to see
A perfect end, your sweet legacy

Instrumental - piano, harp

Final Chorus

Oh, Shinobi, my dear friend so true
Fifteen years and more, I spent with you
Through every season, calm and storm
You kept my spirit safe and warm

Outro

Now you're running free, with Tobi by your side
In heaven's meadows, where spirits glide
Forever playing, under skies so bright
Shinobi, my love, sleep well tonight

Outro - synth fade

Forever in our hearts
