Malia's Sweetest Dream

A Tribute Song

Intro - piano, synth pads

Verse 1

My little Chorkie, a treasure so rare,
With beauty and spirit beyond compare.
Your loving style, a light in the dark,
Leaving joy and laughter, its lasting mark.
You brought happiness in every way,
Brightening even the cloudiest day.
A gentle soul, so full of grace,
Time cannot erase your precious face.

Chorus

Oh, Malia, my sweet Malia dear,
For fourteen blessed years, you were always near.
A love so pure, a bond so true,
My heart will always remember you.

Verse 2

Each day when I'd walk through the door,
Your precious greeting, I would adore.
A wagging tail, a happy bark,
Leaving sunshine upon my heart.
You'd dance and spin, a joyful art,
Playing your special, loving part.
That moment of welcome, bright and free,
Is etched forever, deep inside of me.

Chorus

Oh, Malia, my sweet Malia dear,
For fourteen blessed years, you were always near.

Malia's Sweetest Dream (continued)

A love so pure, a bond so true,
My heart will always remember you.

Bridge

I love you Malia, so very much,
I long for your warmth, your gentle touch.
I miss you everyday, with aching heart,
Wishing we never had to part.

Instrumental - piano, cello

Final Chorus

Oh, Malia, my sweet Malia dear,
For fourteen blessed years, you were always near.
A love so pure, a bond so true,
My heart will always remember you.

Outro - guitar fade

Now I picture you, calm and deep,
On my bed, as you peacefully sleep.
Your tiny head resting, close to my leg,
A beautiful memory, I'll always beg.
To hold forever, precious and true,
My sweet Malia, always with you.

Forever in our hearts
