# Beaux, My Sweet Companion

*A Tribute Song*

---

**Intro - Ukulele, acoustic guitar**

**Verse 1**

The first time our eyes met, you saw right through to my soul,  
And instantly you knew how to make me whole.  
With tiny paws you'd join us for our prayers at night,  
A guardian shadow, always in my sight.  
My sweet little one, a faithful, furry friend,  
Protecting me, till the very end.  
Our nights together, you slept right by my side,  
In your sweet presence, I could always confide.

**Chorus**

Oh, Beaux, my love, my dear companion true,  
Nearly fifteen precious years I spent with you.  
A celebration of the joy you brought each day,  
In every single, unforgettable way.

**Verse 2**

The purest happiness when I walked through the door,  
Your little dance of joy, always asking for more.  
Our prayer time at night, your warmth beside my bed,  
The silent understanding, by your sweet heart led.  
And when I'd loose your leash, you'd run down the hall so fast,  
But turn to check I followed, a moment built to last.  
These daily routines, a void I can't quite fill,  
But in my heart, your presence lingers still.

**Chorus**

Oh, Beaux, my love, my dear companion true,  
Nearly fifteen precious years I spent with you.

---

*Beaux, My Sweet Companion (continued)*

A celebration of the joy you brought each day,  
In every single, unforgettable way.

**Bridge**

We will be together again, my love, I know it's true,  
And I'll never be apart from you, not ever through.  
You were my soul dog, and I miss you every day,  
Thank you for being my joy and my love, come what may.

**Instrumental - Ukulele solo**

**Final Chorus**

Oh, Beaux, my love, my dear companion true,  
Nearly fifteen precious years I spent with you.  
A celebration of the joy you brought each day,  
In every single, unforgettable way.

**Outro**

I picture you well now, no more pain, so free,  
Running happy and young, just as you used to be.  
In a perfect place, beyond the golden sun,  
My sweet Beaux, your beautiful life has just begun.

**Outro - ukulele fade**

*Forever in our hearts*
