Lucy's Diamond Sky

A Tribute Song

Intro - acoustic guitar, piano, light percussion

Verse 1

The day you came, a dream come true
With sparkling eyes, a vibrant hue
A wiggly butt, a joyful spin
Our happy life was set to begin
A Goldendoodle, full of grace
A playful spirit, found your place
With every wag, a sunny grin
Our sweet Lucy, welcomed in

Chorus

Oh, Lucy, four fantastic years we shared
A beautiful bond, beyond compare
Your spirit shines, so bright and free
You're always here, a part of me

Verse 2

Those sparkling eyes, always ready to play
With Scarlett and Ruby, day after day
The keepaway game, a happy chase
Pure delight on every face
You danced and twirled with joyful might
Filling our home with pure delight
A sister's love, a bond so deep
Precious memories we will keep

Chorus

Oh, Lucy, four fantastic years we shared
A beautiful bond, beyond compare

Lucy's Diamond Sky (continued)

Your spirit shines, so bright and free
You're always here, a part of me

Bridge

Lucy, we all love and miss you so much
Your gentle spirit, your loving touch
Till we meet again in that big blue sky above
Wrapped in eternal, boundless love

Instrumental - mandolin, piano

Final Chorus

Oh, Lucy, four fantastic years we shared
A beautiful bond, beyond compare
Your spirit shines, so bright and free
You're always here, a part of me

Outro

Now you're singing in the diamond sky
With Pegasus wings, you learn to fly
A radiant light, soaring high above
Forever bathed in our endless love

Outro - guitar fade

Forever in our hearts
