Blue Eyes, My Soulmate

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we met, your blue eyes shone so bright
A gentle spirit, a beautiful, pure light
You looked into my soul, I knew from the start
You were the missing piece, the love of my heart
A loyal companion, true and ever kind
The sweetest friend a person could ever find
With every wagging tail, you brought me joy
My precious dog, my sweet, happy boy

Chorus

Oh, Blue, my love, it was two years with you
My soulmate, my anchor, forever true
Every moment a treasure, a gift from above
You filled my whole world with your endless love

Verse 2

We spent our days together, morning, noon, and night
Every single moment was perfectly right
From sleepy mornings to the sun's last ray
You were by my side, every single day
I'd see you playing, a happy, joyful sight
Then running for your bowl with pure delight
Your happy spirit filled our loving home
Knowing I'd never feel truly alone

Chorus

Oh, Blue, my love, it was two years with you
My soulmate, my anchor, forever true

Blue Eyes, My Soulmate (continued)

Every moment a treasure, a gift from above
You filled my whole world with your endless love

Bridge

Please stay, don't go, I whispered soft and low
My heart can't bear to ever let you go
I love you very much, you are my soulmate, dear
I wish you could have stayed right here, right here

Harmonica solo

Final Chorus

Oh, Blue, my love, it was two years with you
My soulmate, my anchor, forever true
Every moment a treasure, a gift from above
You filled my whole world with your endless love

Outro

Now you're playing freely, running fast and bold
Chasing after dreams, a story to be told
Running for your bowl, so happy and so free
Forever cherished, always a part of me

Outro - acoustic guitar fade

Forever in our hearts
