Bo's Gentle Paw

A Tribute Song

Intro - acoustic piano, synth pads

Verse 1

The open road, a gentle breeze,
You'd sit beside me with such ease.
A truck bed ride, a happy sigh,
Beneath the vast and endless sky.
You loved each soul, both friend and foe,
A wagging tail, a gentle glow.
A loving heart, so pure and true,
My dearest Bo, I cherish you.

Chorus

Oh, Bo, my sweet Bo, my loving friend,
Seven years we shared until the end.
Your memory, a warmth inside,
A faithful spirit, by my side.

Verse 2

That final dawn, beneath the quilt,
Your quiet love, so gently built.
We held each other, close and deep,
A silent promise we would keep.
Your paw touched mine, a soft caress,
A last goodbye, held to my chest.
A final gaze, so calm and bright,
Before you drifted into light.

Chorus

Oh, Bo, my sweet Bo, my loving friend,
Seven years we shared until the end.

Bo's Gentle Paw (continued)

Your memory, a warmth inside,
A faithful spirit, by my side.

Bridge

The whisper soft, a truth untold,
A story richer than pure gold.
"I love you," echoed in the air,
Beyond all sorrow, pain, and care.

Instrumental - piano, cello

Final Chorus

Oh, Bo, my sweet Bo, my loving friend,
Seven years we shared until the end.
Your memory, a warmth inside,
A faithful spirit, by my side.

Outro

Now freely running, wild and grand,
Across the green and grassy land.
With other friends, you leap and play,
In sunshine bright, through endless day.
My sweet Bo, peaceful and free,
Forever watching over me.

Outro - piano fade
