Stark's Unwavering Shadow

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

From the start, you were always near,
A loyal shadow, banishing all fear.
My service dog, my best friend true,
My little puppy, always guarding through.
Your love, your compassion, a beautiful flame,
Full of energy, calling out my name.
On my head, you found your softest bed,
Protecting me, with silent comfort spread.

Chorus

Oh, Stark, my boy, for thirteen years,
You chased away my every fear.
A love so pure, a bond so deep and true,
My heart forever tethered to you.

Verse 2

When I came home, you'd wait by the door,
Excitement in your eyes, asking for more.
You missed me as I missed you, it was plain to see,
A joyful greeting, just for me.
To the seaside we'd go, chasing waves so grand,
Sharing ice-cream, paw in my hand.
Every moment precious, a memory we'd keep,
Our special times, forever buried deep.

Chorus

Oh, Stark, my boy, for thirteen years,
You chased away my every fear.

Stark's Unwavering Shadow (continued)

A love so pure, a bond so deep and true,
My heart forever tethered to you.

Bridge

Your service is complete, perfect and true,
You did everything, as you always do.
My boy, my Papa, my best friend, I'll love you always,
I miss your cuddles, your snuggles, in these lonely days.

Harmonica Solo

Final Chorus

Oh, Stark, my boy, for thirteen years,
You chased away my every fear.
A love so pure, a bond so deep and true,
My heart forever tethered to you.

Outro

Now running free, with no pain to bear,
Doing zoomies with Storm, Diesel, and Buddy there.
Dig dig and chasing spiders, a joyful chase,
Watching over me from that peaceful place.

Outro - guitar fade
