Sammy's Gentle Shade

A Tribute Song

Intro - piano, glockenspiel

Verse 1

The first sweet memories, still clear as day,
The little things you did to make me play.
A Jacktzu spirit, bright and full of cheer,
Wiping away my every silent tear.
Your wagging tail, a comforting delight,
Filling our home with endless, gentle light.
A furry friend, so brave and very small,
Always there to answer love's soft call.

Chorus

Oh, Sammy, my sweet boy, nine years flew by so fast,
Your loving memory is forever meant to last.
A bond so pure, a love beyond compare,
In every quiet moment, I still feel you there.

Verse 2

The sound of keys would signal your approach,
No matter how hard I tried to be a reproach.
With happy barks and hurried, joyful feet,
You'd bring a squeaky toy, a greeting oh so sweet.
A tiny soldier, waiting at the door,
Making me smile and wanting nothing more.
Your special quirks, a language all your own,
The truest loyalty I've ever known.

Chorus

Oh, Sammy, my sweet boy, nine years flew by so fast,
Your loving memory is forever meant to last.

Sammy's Gentle Shade (continued)

A bond so pure, a love beyond compare,
In every quiet moment, I still feel you there.

Bridge

And though a quiet whisper, "Wait for me, my friend,"
I know our loving story will not truly end.
Across the rainbow bridge, beyond all sight,
We'll reunite someday, in morning's gentle light.

Instrumental - cello, piano

Final Chorus

Oh, Sammy, my sweet boy, nine years flew by so fast,
Your loving memory is forever meant to last.
A bond so pure, a love beyond compare,
In every quiet moment, I still feel you there.

Outro

Now resting soft, beneath a gentle shade,
A quiet sleep, a promise truly made.
No pain, no sorrow, just sweet dreams take flight,
Forever cherished, bathed in golden light.

Outro - piano fade
