Snickerz's Sunshine Smile

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day we met, a tiny friend, with eyes so bright and true,
Your heart was won with peanut butter, a love that always grew.
On golf cart rides, a happy blur, you'd mark each tire with glee,
A little king of our domain, as happy as could be.

Chorus

Oh, Snickerz, our sweet Snickerz, for sixteen and a half years long,
You filled our home with joy and love, where you truly belonged.
Your sunshine smile, a guiding light, a comfort and a friend,
A love like yours will never fade, it truly has no end.

Verse 2

Each time we walked back through the door, you'd greet us with a shout,
A cute hello bark, a wagging tail, no shadow of a doubt.
Though sometimes you were quite a riot, a memory we hold dear,
Like peeing on the cousin's leg, bringing laughter, year by year.

Chorus

Oh, Snickerz, our sweet Snickerz, for sixteen and a half years long,
You filled our home with joy and love, where you truly belonged.
Your sunshine smile, a guiding light, a comfort and a friend,
A love like yours will never fade, it truly has no end.

Bridge

So go now, Snickerz, chase the balls, let your spirit freely roam,
Stop and smell the open air, a new and joyful home.
Smile big, our precious boy, feel sunshine on your face,

Snickerz's Sunshine Smile (continued)

Run free, no pain, just endless grace.

Harmonica Solo

Final Chorus

Oh, Snickerz, our sweet Snickerz, for sixteen and a half years long,
You filled our home with joy and love, where you truly belonged.
Your sunshine smile, a guiding light, a comfort and a friend,
A love like yours will never fade, it truly has no end.

Outro

We see you now, on endless grass, with Pepper by your side,
A huge smile from ear to ear, with nothing left to hide.
Running free, our sweet Snickerz, beneath the skies so blue,
Our hearts hold every memory, forever missing you.

Outro - acoustic guitar fade
