Brody's Gentle Gaze

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Tiny paws upon the floor, a shadow at my feet,
A little Yorkie, nothing more, incredibly sweet.
Those beautiful black eyes would shine, a constant, loving quest,
Looking always into mine, putting my heart to rest.

Chorus

Oh Brody, my sweet baby boy, for seven years we shared,
You filled my world with endless joy, a bond beyond compare.
My little six-pound precious gem, a love so pure and true,
My heart still aches remembering them, the loving days with you.

Verse 2

From morning light to setting sun, and through the quiet night,
Our journey felt like only one, bathed in a gentle light.
No matter where my footsteps led, you always were so near,
A tiny head upon my bed, to chase away all fear.

Chorus

Oh Brody, my sweet baby boy, for seven years we shared,
You filled my world with endless joy, a bond beyond compare.
My little six-pound precious gem, a love so pure and true,
My heart still aches remembering them, the loving days with you.

Bridge

I loved you more than anything, my sweet and precious boy,
I miss you every minute of every day, you were my purest joy.
My six-pound beautiful baby, true,

Brody's Gentle Gaze (continued)

A piece of my heart went with you.
Forever held within my soul,
You always made my spirit whole.

Instrumental - piano, string pad

Final Chorus

Oh Brody, my sweet baby boy, for seven years we shared,
You filled my world with endless joy, a bond beyond compare.
My little six-pound precious gem, a love so pure and true,
My heart still aches remembering them, the loving days with you.

Outro

With fur sisters and brothers, now beyond the sky so blue,
I know he's looking for me, waiting there, a loyal view.
Running free in fields of light, a gentle, endless sleep,
Brody, my love, through day and night, your memory I will keep.

Outro - piano fade
