Ranger, Our Loyal Heart

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

You came into our lives, a stunning stoic boy
So handsome and easy-going, bringing so much joy
Best friend to your dad, Dannion, a bond so true
Loved your furry pack, Molly, Joey, Lulu, and Stella too
With Quentin, a special connection, our sweet "Big Bubs"
Always welcome in our family, where you truly belonged
A hound dog with a heart of gold, loved by all you'd meet
Life with you, dear Ranger, felt wonderfully complete.

Chorus

Oh, Ranger, our good boy, with a spirit so bright
Eleven and a half years, you filled our lives with light
A loyal soul, a gentle friend, forever in our minds
The best companion a family ever finds.

Verse 2

Every time of day with you, was truly our favorite part
Your happy tail, your loving gaze, etched into our heart
From snuggles on the couch to a happy 'car ride'
Or walks in Guelph or Burlington, where you felt so alive
Watching TV with your siblings, a cozy, furry pile
You lived each day with happiness, always with a smile
Bringing joy to Dannion, and all the university boys
Your presence was a comfort, amidst all the noise.

Chorus

Oh, Ranger, our good boy, with a spirit so bright
Eleven and a half years, you filled our lives with light

Ranger, Our Loyal Heart (continued)

A loyal soul, a gentle friend, forever in our minds
The best companion a family ever finds.

Bridge

We loved you from the moment we met you, a beautiful soul so pure
We did everything to keep you happy, safe and loved, that's for sure
Always in our hearts, always remembered, our sweet and gentle friend
Your love was a gift, right up until the very end.

Harmonica Solo

Final Chorus

Oh, Ranger, our good boy, with a spirit so bright
Eleven and a half years, you filled our lives with light
A loyal soul, a gentle friend, forever in our minds
The best companion a family ever finds.

Outro

In our hearts, you're happy now, beyond all pain and strife
Reconnected with Taffy, Tig, and Dad, living a peaceful life
Eating all the snacks you want, no worries, free and grand
Running through green pastures, in a promised land.

Outro - guitar fade
