Agro's Gentle Gaze

A Tribute Song

Intro - piano, synth pads

Verse 1

The first time that I saw your face
A gentle soul in time and space
A happy twinkle in your eye
Reflected every passing sky
Your spirit shone so pure and bright
A beacon in the fading light
A sturdy heart, a loving friend
Our journey that would never end

Chorus

Oh, Agro, my dear Agro, true and kind
Twelve precious years, you filled my mind
A love like yours, so deep and vast
A gentle joy forever cast
In every memory, softly spun
Beneath the fading, setting sun

Verse 2

Each moment was a treasured thing
The happiness your presence'd bring
From quiet snuggles, warm and deep
To playful secrets you would keep
Through every day, a constant grace
A smile upon your loving face
No single minute could compare
To having you, beyond all care

Chorus

Agro's Gentle Gaze (continued)

Oh, Agro, my dear Agro, true and kind
Twelve precious years, you filled my mind
A love like yours, so deep and vast
A gentle joy forever cast
In every memory, softly spun
Beneath the fading, setting sun

Bridge

The hardest words, I whisper low
"I love you so, I'm sorry we lost you, my Agro"
A silent promise, held so tight
To carry you through endless night
Your paw prints linger in my soul
Making my broken spirit whole

Instrumental - cello, piano

Final Chorus

Oh, Agro, my dear Agro, true and kind
Twelve precious years, you filled my mind
A love like yours, so deep and vast
A gentle joy forever cast
In every memory, softly spun
Beneath the fading, setting sun

Outro

Now free and swift, across the plain
You run with Peter, free from pain
Playing fetch beneath the blue
My heart remembers, always you.

Outro - guitar fade
