

Remembering Ollie

Custom Pet Memorial Songs

Hercules, My Sweetest Boy

A Tribute Song

Intro - acoustic guitar, banjo

Verse 1

My little shadow, always by my side
A furry protector, nowhere to hide
From the very first day, a bond so deep
A Yorkipoo best friend, secrets to keep

Chorus

Oh, Hercules, my sweetest boy
Twelve amazing years, filled with love and joy
Your memory dances, bright and clear
Chasing away every single tear

Verse 2

No matter the moment, a minute or more
You'd greet me with gladness right at the door
A happy dance, a wagging tail so grand
The best welcome home, in all the land

Chorus

Oh, Hercules, my sweetest boy
Twelve amazing years, filled with love and joy
Your memory dances, bright and clear
Chasing away every single tear

Verse 3

You'd wake up Sisty with a lick and grin
Scarlett's big fur brother, where do I begin?
With saucy growls, you'd make your plea

Hercules, My Sweetest Boy (continued)

Or bark to say, 'it's bedtime, Mama, see!'
You chased the birds, though you never would win
Loved going for walks, where the fun would begin
Car rides to 'the farm,' your head would tilt with glee
My heart remembers every part of thee

Chorus

Oh, Hercules, my sweetest boy
Twelve amazing years, filled with love and joy
Your memory dances, bright and clear
Chasing away every single tear

Bridge

I love you, my friend, for all that you've done
My sweetest poodle pop, my number one
You left pawprints on my heart, a love so vast
If love could have saved you, you would have forever last
My soul dog, I hope we meet again someday

Instrumental - banjo solo, acoustic guitar

Final Chorus

Oh, Hercules, my sweetest boy
Twelve amazing years, filled with love and joy
Your memory dances, bright and clear
Chasing away every single tear

Outro

Now running young and free, no pain in sight
My dear Hercules, bathed in heaven's light
Just peace and freedom, where you roam
Waiting for me, to bring me home

Outro - acoustic guitar fade

Forever in our hearts
