Cooper's Soft Journey

A Tribute Song

Intro - acoustic piano, soft pads

Verse 1

The day we met, our hearts you claimed,
A spunky jump, your spirit untamed.
From kennel bars, your little ears stood tall,
You answered our silent, loving call.
A tiny terrier, by my side you'd roam,
Making our house feel so much like home.
You found your way into our waiting arms,
Protecting us from life's small harms.

Chorus

Oh, Cooper, sweet Cooper, our shining star,
For sixteen and a half years, not too far.
You filled our days with joy and gentle grace,
Forever held within our heart's embrace.

Verse 2

Perfection you were, so loving and true,
With playful energy, all that you'd do.
Across the field, on morning runs so free,
Chasing a bunny, for all eyes to see.
Each joyful leap, a memory we keep,
Your presence made our happiness so deep.
You made my life a better, brighter place,
Leaving smiles upon my weary face.

Chorus

Oh, Cooper, sweet Cooper, our shining star,
For sixteen and a half years, not too far.

Cooper's Soft Journey (continued)

You filled our days with joy and gentle grace,
Forever held within our heart's embrace.

Bridge

I love you, my baby, don't be afraid,
No more pain, a new path you've made.
Go now, find your sister, sweet Chloe, it's true,
Mommy and Daddy will surely see you.
We promise we'll meet again, in that place,
Though we'll miss your love, your sweet embrace.

Instrumental - cello, piano

Final Chorus

Oh, Cooper, sweet Cooper, our shining star,
For sixteen and a half years, not too far.
You filled our days with joy and gentle grace,
Forever held within our heart's embrace.

Outro

Your little legs now walk without pain,
You breathe so freely, through sun and through rain.
Chasing the critters, in fields of light,
With your heavenly family, shining so bright.
Waiting for us, beyond the blue,
Dreaming of the day we're reunited with you.

Outro - piano fade

Forever in our hearts
