

Remembering Ollie

Custom Pet Memorial Songs

Biscuit's Gentle Breeze

A Tribute Song

Intro - piano, glockenspiel

Verse 1

I remember the first time, your sweet little dance
Hopping and spinning, a joyful small prance
You'd bark and you'd lead us, with all of your might
To the kitchen for treats, making everything bright

Chorus

Oh, Biscuit, my dear, in my heart you will stay
Fifteen and a half years, you brightened each day
A love like no other, pure and so true
Sweet Biscuit, we'll always be dreaming of you

Verse 2

Each morning I'd wake, and I'd rub your soft head
A gentle kiss given, before you left bed
You'd stretch and you'd leap, down your ramp you would glide
To the living room running, with me by your side

Chorus

Oh, Biscuit, my dear, in my heart you will stay
Fifteen and a half years, you brightened each day
A love like no other, pure and so true
Sweet Biscuit, we'll always be dreaming of you

Bridge

Thank you, sweet girl, for your perfect soft grace
Unconditional love, leaving joy in this place
Your energy, playfulness, brightened our home

Biscuit's Gentle Breeze (continued)

You changed us forever, wherever you roam
We hope you are chasing, those butterflies now
With endless good treats, and love all around

Instrumental - cello, piano

Final Chorus

Oh, Biscuit, my dear, in my heart you will stay
Fifteen and a half years, you brightened each day
A love like no other, pure and so true
Sweet Biscuit, we'll always be dreaming of you

Outro

Now you're outside, in the grass, by the breeze
Beneath golden sun, living life at your ease
Chasing the squirrels, under skies soft and blue
Rest easy, sweet Biscuit, our love goes with you

Outro - piano fade

Forever in our hearts
