Cooper's Gentle Journey

A Tribute Song

Intro - piano, soft guitar

Verse 1

With tiny ears and a spunky jump so sweet,
You stole our hearts the moment that we'd meet.
From inside your kennel, reaching out for grace,
You found your forever, in this special place.
Always by my side, through every passing year,
You calmed every worry, chased away each fear.

Chorus

Oh, Cooper, our sweet boy, a light so true,
Sixteen and a half years, shared with you.
Our hearts hold your paw prints, etched so deep,
Promises of love, we'll always keep.

Verse 2

You were perfection, so loving and so bright,
Full of pure energy, a joyful, playful light.
Early morning runs, across the field we'd go,
Chasing after bunnies, watching nature's show.
You made life a better place, in every single way,
Bringing smiles and comfort, morning, noon, and day.

Chorus

Oh, Cooper, our sweet boy, a light so true,
Sixteen and a half years, shared with you.
Our hearts hold your paw prints, etched so deep,
Promises of love, we'll always keep.

Cooper's Gentle Journey (continued)

I love you, my baby, don't be afraid to roam,
Go now and find your sister, Chloe, waiting at home.
Mommy and Daddy will see you again, I promise it's true,
We will miss you forever, forever we'll miss you.

Instrumental - piano, cello, light strings

Final Chorus

Oh, Cooper, our sweet boy, a light so true,
Sixteen and a half years, shared with you.
Our hearts hold your paw prints, etched so deep,
Promises of love, we'll always keep.

Outro - piano fade

Now your little legs can walk without all the pain,
You can breathe freely, in the sun and in the rain.
Chasing all the critters, with joy in every bound,
With your heavenly family, you're safe and gently crowned.

Forever in our hearts
