

Remembering Ollie

Custom Pet Memorial Songs

Bear's Endless Run

A Tribute Song

Intro - acoustic guitar, mandolin

Verse 1

Little paws on the cushion so soft
Waiting there as the day turned to dusk
My tiny Chauweenie, a sweet, furry friend
A loyal companion, right to the end

Chorus

Oh, Bear, my sweet Bear, after fifteen long years
You chased away all of my fears
A celebration of the love that we shared
A bond like ours, beyond all compare

Verse 2

At supper time, a happy bark you would give
Then quiet comfort, for us to live
After my shower, on the couch we'd recline
Your warmth next to mine, truly divine

Chorus

Oh, Bear, my sweet Bear, after fifteen long years
You chased away all of my fears
A celebration of the love that we shared
A bond like ours, beyond all compare

Bridge

Wait for me on the other side, my dear
I'll be there, banishing every fear
Unconditionally, my baby, my heart's true beat

Bear's Endless Run (continued)

A love so pure, wonderfully sweet

Instrumental - mandolin solo

Final Chorus

Oh, Bear, my sweet Bear, after fifteen long years
You chased away all of my fears
A celebration of the love that we shared
A bond like ours, beyond all compare

Outro

Now you're running free, no pain in your stride
With joyous spirit, nowhere to hide
My sweet Bear, forever you roam
Running home...

Outro - acoustic guitar fade

Forever in our hearts
