Tank's Endless Run

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

A gentle Mastiff, with a spirit so bright,
Always there beside me, morning, noon, and night.
You loved to sit upon the couch, then run across the land,
My happy, joyful dog, with one eye, strong and grand.
That single eye, it never slowed your pace,
From all the things you cherished, in every time and place.
A lovable companion, a comfort to my soul,
Making every moment beautiful and whole.

Chorus

Oh, Tank, my Tank, my partner in the sun,
Eleven years of loyalty, a journey bravely run.
Though now you've crossed the rainbow's gentle bend,
Our love for you, it never has an end.

Verse 2

You always greeted me, coming home each day,
With happy cuddles, licks upon my face, you'd play.
A watchful bark would warn me, of anything unknown,
My partner in crime, on our shared and special throne.
Those belly rubs and treats, a stick held in your jaw,
Such simple pleasures, lived by nature's loving law.
I miss our time together, a bond so deep and true,
My heart still longs to be right there with you.

Chorus

Oh, Tank, my Tank, my partner in the sun,
Eleven years of loyalty, a journey bravely run.

Tank's Endless Run (continued)

Though now you've crossed the rainbow's gentle bend,
Our love for you, it never has an end.

Bridge

Chase all the squirrels and rabbits, run free for me, my friend,
Go run pain-free, beloved Tank, until the very end.
We will find each other again, someday, I truly know,
Miss you forever, watching your spirit glow.

Instrumental - harmonica, acoustic guitar

Final Chorus

Oh, Tank, my Tank, my partner in the sun,
Eleven years of loyalty, a journey bravely run.
Though now you've crossed the rainbow's gentle bend,
Our love for you, it never has an end.

Outro

Running free in endless tall green grass,
No more pain, watching the moments softly pass.
Sleeping in a sunbeam that never moves away,
Eating all the treats you want, every single day.

Outro - guitar fade
