

Remembering Ollie

Custom Pet Memorial Songs

Stella Blue's Gentle Welcome

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

You were everyone's best friend, a heart so wide,
Loving every soul, with nothing to hide.
A gentle Bloxer spirit, loyal and true,
The sweetest welcome, Stella Blue.

Chorus

Oh, Stella Blue, our guiding light,
Thirteen precious years, shining ever so bright.
Now you're sleeping, peaceful and deep,
Treasured memories, our hearts will keep.

Verse 2

That Stella smile you wore, a joyful sight,
Meeting me at the door, with pure delight.
A wagging tail, a love beyond compare,
Chasing away every single care.

Chorus

Oh, Stella Blue, our guiding light,
Thirteen precious years, shining ever so bright.
Now you're sleeping, peaceful and deep,
Treasured memories, our hearts will keep.

Bridge

If you could hear me now, my whisper so low,
Give Daddy a big hug, let him know.
Oh, Stella Blue, I'll miss you so,

Stella Blue's Gentle Welcome (continued)

My love for you will always grow.

Instrumental - soft strings, piano

Final Chorus

Oh, Stella Blue, our guiding light,
Thirteen precious years, shining ever so bright.
Now you're sleeping, peaceful and deep,
Treasured memories, our hearts will keep.

Outro

Now with Daddy and Papa, in heaven's sweet embrace,
Spoiled with treats, in that sunny, open space.
Soaking up the sun, in the big front yard, you'll be,
Running free, Stella Blue, in eternity.

Outro - piano fade

Forever in our hearts
