Gizmo's Gentle Kiss

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

A tiny shadow by my side,
My sweet chihuahua, full of pride.
Your happy smile, a joyful sound,
Wherever I went, you could be found.
With little kisses on my leg,
A loving comfort, I would beg,
For one more zoom across the floor,
Then cuddles waiting at the door.

Chorus

Oh, Gizmo, princess, baby girl,
You brightened up our whole wide world.
For fourteen years, a precious bond,
A love beyond, forever fond.

Verse 2

Each day returning, what a sight,
Your happy dance, so pure and bright.
A tiny greeting, full of cheer,
Dispelling every single fear.
Then tucked between us, safe and deep,
Sweet secrets that our hearts would keep.
Your little body, soft and warm,
Protecting us from any storm.

Chorus

Oh, Gizmo, princess, baby girl,
You brightened up our whole wide world.

Gizmo's Gentle Kiss (continued)

For fourteen years, a precious bond,
A love beyond, forever fond.

Bridge

Oh, I'm so sorry, baby girl, it's true,
We miss you forever, our love for you.
You're lost from sight, but never forgotten,
Our sweet princess, a love begotten.

Instrumental - piano, acoustic guitar

Final Chorus

Oh, Gizmo, princess, baby girl,
You brightened up our whole wide world.
For fourteen years, a precious bond,
A love beyond, forever fond.

Outro

Now at the gate, you wait for us,
Beyond the stars, no more fuss.
Running free in endless grace,
A peaceful slumber, soft embrace.

Outro - piano fade

Forever in our hearts
