# Indie, My Dear

*A Tribute Song*

---

**Intro - acoustic guitar, harmonica**

## Verse 1

I still recall that first sweet sound  
Of jingling collar, all around.  
Your nails on floor, a rhythmic beat,  
As beautiful eyes, so keen and sweet,  
Looked up at me, a loyal gaze,  
Through all the coming happy days.  
A German Shepherd, strong and true,  
My world transformed, the day I met you.

## Chorus

Oh Indie, my dear, a decade flew by,  
Beneath the same sun, under the same sky.  
Ten years of pure love, a bond deep and vast,  
Memories of you, forever they'll last.

## Verse 2

You walked beside me, every stride,  
My constant friend, my loving guide.  
More than a helper, a service true,  
Through busy days, I worked with you.  
An extension of my very arm,  
Keeping my spirit safe from harm.  
Your heart held love, a boundless store,  
My truest partner, evermore.

## Chorus

Oh Indie, my dear, a decade flew by,  
Beneath the same sun, under the same sky.

---

*Indie, My Dear (continued)*

Ten years of pure love, a bond deep and vast,  
Memories of you, forever they'll last.

**Bridge**

Thank you, sweet friend, for all you've been,  
My best companion, pure and clean.  
Without you now, a part of me is gone,  
Your loving spirit helps me carry on.

**Harmonica Solo**

**Final Chorus**

Oh Indie, my dear, a decade flew by,  
Beneath the same sun, under the same sky.  
Ten years of pure love, a bond deep and vast,  
Memories of you, forever they'll last.

**Outro**

Now free from pain, your spirit bright,  
You're dancing in the softest light.  
Across the fields, you run and play,  
Until we meet again someday.

**Outro - acoustic guitar fade**

*Forever in our hearts*
