Chloe J's Sweet Embrace

A Tribute Song

Intro - Rhodes piano, soft strings

Verse 1

A tiny shadow, full of grace,
A precious puppy, we could embrace.
So sweet and funny, full of cheer,
You banished every doubt and fear.
With all your being, you would impart,
Unconditional love, a work of art.
Our beautiful "Baby Girl," so grand,
The smallest wonder in our hand.

Chorus

Oh, Chloe J, our sweet delight,
You filled our lives with endless light.
For sixteen precious years you stayed,
A love that never can be swayed.

Verse 2

Through banister you'd give a kiss,
A welcome home we'd always miss.
With Grammie every night you'd creep,
To cuddle close while she would sleep.
On Saturdays, a joyful leap,
My heart you'd always truly keep.
You found me home, your love so keen,
The sweetest welcome ever seen.

Chorus

Oh, Chloe J, our sweet delight,
You filled our lives with endless light.

Chloe J's Sweet Embrace (continued)

For sixteen precious years you stayed,
A love that never can be swayed.

Verse 3

Your tiny paws, a gentle sound,
As on the window sill you're found.
Curled on a blanket, soft and deep,
While we pretended you were asleep.
Your expressive eyes, a silent plea,
A little bark, just for you and me.
A happy wiggle, a joyful spree,
The smallest dog, so wild and free.

Bridge

We love you, Baby Girl, with all our heart,
And miss you now, since we're apart.
We know you loved us too, it's true,
Our precious Chloe, forever through.

Instrumental - Rhodes piano, soft strings

Final Chorus

Oh, Chloe J, our sweet delight,
You filled our lives with endless light.
For sixteen precious years you stayed,
A love that never can be swayed.

Outro

Now in Jesus's arms, a peaceful rest,
In Heaven's fields, you're truly blessed.
With cousins playing, light and free,
And chicken waiting, joyfully.
Your stuffed animals, always near,
You're waiting for us, no more fear.

Outro - nylon guitar fade
