Phoebe's Forever Dance

A Tribute Song

Intro - piano, strings

Verse 1

The first time I saw you, a fur-baby so bright,
A shaggy Bouvier, a beautiful sight.
Pirouetting with joy, in the kitchen you'd spin,
Waiting for dinner, where our journey began.

Chorus

Oh, Phoebe, my dear, after thirteen sweet years,
You danced through my life, banishing all fears.
A heart full of love, a spirit so free,
You'll forever be dancing inside of me.

Verse 2

As the day settled down, the evening would creep,
Curled on the couch, while the whole world would sleep.
A gentle warm presence, a comforting sigh,
Just you by my side, beneath the soft sky.

Chorus

Oh, Phoebe, my dear, after thirteen sweet years,
You danced through my life, banishing all fears.
A heart full of love, a spirit so free,
You'll forever be dancing inside of me.

Bridge

I loved you, my fur-baby, till your old lady's days,
My best partner true, in so many ways.
You're etched in my heart, forever you'll stay,

Phoebe's Forever Dance (continued)

Each memory cherished, come what may.

Instrumental - sweeping strings

Final Chorus

Oh, Phoebe, my dear, after thirteen sweet years,
You danced through my life, banishing all fears.

A heart full of love, a spirit so free,
You'll forever be dancing inside of me.

Outro

Now you're running free, in the vineyard so green,
Chasing those sheep, a joyful, bright scene.
Eating all the cheese, without a care or a plea,
Forever at peace, just being you, Phoebe.

Outro - strings fade
