

Remembering Ollie

Custom Pet Memorial Songs

Gigi's Gentle Freedom

A Tribute Song

Intro - piano, harp

Verse 1

I remember your first steps, so small and brave,
A tough little walk, a tiny wave.
Your eyes full of joy, a playful chase,
For your favorite toy, in that happy space.
A loyal heart, so pure and bright,
Filling our lives with endless light.
You snuggled close, a comforting friend,
Our love for you, will never end.

Chorus

Oh, Gigi, our sweet girl, so dear,
Fourteen precious years, you blessed us here.
A gentle spirit, a loving soul,
You made our broken hearts feel whole.

Verse 2

On weekend mornings, the sun barely near,
You'd wake us up, chasing away all fear.
A happy bark, a nudge so sweet,
Paws on the bed, a playful treat.
You loved the warmth, a sleepy sigh,
Watching the morning light drift by.
Your little routines, a joyful sound,
The best companion, could be found.

Chorus

Oh, Gigi, our sweet girl, so dear,
Fourteen precious years, you blessed us here.

Gigi's Gentle Freedom (continued)

A gentle spirit, a loving soul,
You made our broken hearts feel whole.

Bridge

Your mom and I will always remember and love you,
Each precious moment, forever true.
The most special girl, a gift from above,
Wrapped in our hearts, with eternal love.

Instrumental - piano, strings

Final Chorus

Oh, Gigi, our sweet girl, so dear,
Fourteen precious years, you blessed us here.
A gentle spirit, a loving soul,
You made our broken hearts feel whole.

Outro

Now free from pain, no burdens to bear,
Running and jumping, light as air.
Dreaming of fields, where you now play,
Until we meet again, someday.

Outro - harp fade

Forever in our hearts
