Zylina, My Sweet Angel

A Tribute Song

Intro - Soft Piano, Harp

Verse 1

I still recall that gentle way,
You'd scratch my foot at close of day.
A tiny paw, a loving plea,
For head and back rubs, just from me.
My little Shih Tzu, soft and grand,
The sweetest friend in all the land.
You taught my heart a gentle grace,
A happy smile upon your face.

Chorus

Zylina, my sweet angel, true and bright,
You filled my world with warmth and light.
Ten cherished years, a precious span,
The bestest girl, a perfect plan.

Verse 2

Each time I'd walk back through the door,
Your wagging tail would ask for more.
A happy dance, a joyful sound,
Until a cookie could be found.
Your little quirks, a pure delight,
You made my every day so bright.
A faithful friend, so full of cheer,
You chased away all doubt and fear.

Chorus

Zylina, my sweet angel, true and bright,
You filled my world with warmth and light.

Zylina, My Sweet Angel (continued)

Ten cherished years, a precious span,
The bestest girl, a perfect plan.

Bridge

"I love you, Zylina, you're my baby," I whispered low,
"This isn't goodbye, just watching you grow."
"I'll see you again, when my time comes to roam,"
"Can you come running, and guide me home?"
My arms outstretched, I'll wait and see,
For you to jump, and kiss my face, Zylina, free.

Instrumental - Ethereal Strings, Piano

Final Chorus

Zylina, my sweet angel, true and bright,
You filled my world with warmth and light.
Ten cherished years, a precious span,
The bestest girl, a perfect plan.

Outro

Now running free, beyond all pain,
You watch me through the sun and rain.
My gentle angel, shining clear,
Forever close, forever near.
