Tessa's Gentle Tide

A Tribute Song

Intro - piano, synth pads

Verse 1

The gentle sound, a pitter-pat,
Your tiny nails upon the mat.
A fluffy shadow, soft and bright,
Filling every day with light.
We walked the world, a loving pair,
A joy beyond compare.
Your little barks, a happy plea,
My dearest friend, eternally.

Chorus

Oh, Tessa, my sweet, gentle friend,
Eleven years that had no end.
A love so true, a gift so deep,
While precious memories we keep.

Verse 2

The morning sun, a golden gleam,
You'd wake me from a peaceful dream.
A nudge, a look, to start the day,
Then breakfast served in your sweet way.
My coffee warm, the rocker swayed,
As silent, soft decisions made.
We shared a quiet, tender grace,
A cherished time within this space.

Chorus

Oh, Tessa, my sweet, gentle friend,
Eleven years that had no end.

Tessa's Gentle Tide (continued)

A love so true, a gift so deep,
While precious memories we keep.

Bridge

Oh, Tessa, how I love and miss you so,
Run free now where the ocean currents flow.
A promise whispered on the gentle breeze,
That we will meet again among the trees.

Instrumental - piano, subtle strings

Final Chorus

Oh, Tessa, my sweet, gentle friend,
Eleven years that had no end.
A love so true, a gift so deep,
While precious memories we keep.

Outro - piano fade

Now on the sand, where soft waves play,
You run pain-free throughout the day.
Digging holes with joyful glee,
Beneath the wide, blue, boundless sea.
Sleeping softly, sweet and deep,
A precious peace your spirit keeps.

Forever in our hearts
