

Remembering Ollie

Custom Pet Memorial Songs

Zues's Gentle Watch

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

Thirteen years ago, a day I won't forget
A furry friend, the best I'd ever met
With soulful eyes, a gentle, wagging tail
A love story that would never fail
A Lab's true heart, so loyal and so grand
The best companion, paw within my hand
I miss you now, each minute of each day
Since you left my side and went away

Chorus

Oh, Zues, my friend, for thirteen years so true
My heart still aches and longs for you
Your gentle spirit, watching from above
Forever wrapped in daddy's endless love

Verse 2

No matter what, you'd always wait for me
By the window, for the truck to see
Those joyful barks, a happy, eager sound
The best co-pilot on any ground
With open road and wind upon your face
Our truck rides were a happy, sacred place
Your head upon my lap, a trusting sigh
Beneath the wide-open, endless sky

Chorus

Oh, Zues, my friend, for thirteen years so true
My heart still aches and longs for you

Zues's Gentle Watch (continued)

Your gentle spirit, watching from above
Forever wrapped in daddy's endless love

Bridge

I whisper now the words you used to say
"Daddy no work tomorrow, I stay home with you, let's go nynight"
Those precious moments, held so tightly near
Erase the sorrow, conquer every fear

Instrumental - soft strings, piano

Final Chorus

Oh, Zues, my friend, for thirteen years so true
My heart still aches and longs for you
Your gentle spirit, watching from above
Forever wrapped in daddy's endless love

Outro

Now you're running free, strong and young again
Across the fields, beyond my earthly ken
And I know you're watching, waiting there above
Until we meet again, my everlasting love

Outro - piano fade

Forever in our hearts
