Smokey, My Sweet Tender Soul

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The day we met, a tiny spark so bright,
A little shadow, full of joyful light.
You tumbled with your brother, dear Bandit's friend,
A playful spirit, without end.
My small Toy Fox, a heart so wild and free,
My constant companion, my faithful, gentle friend.
Your gentle gaze, a promise true,
My heart knew then, I'd always love you.

Chorus

Oh, Smokey, my sweet, tender soul,
Nearly fourteen years made our world whole.
A precious gift, a love so deep and wide,
Forever etched within my heart, you'll bide.

Verse 2

Beside the lake, where waters gently gleam,
We shared quiet moments, like a peaceful dream.
Your soft reminders, a nudge upon my hand,
Told me it was time for slumber in our land.
Then cuddling close, as twilight turned to night,
Before drifting off, just cuddling close and light.
Your gentle breath, a lullaby so clear,
Dreaming of chasing, without a single fear.

Chorus

Oh, Smokey, my sweet, tender soul,
Nearly fourteen years made our world whole.

Smokey, My Sweet Tender Soul (continued)

A precious gift, a love so deep and wide,
Forever etched within my heart, you'll bide.

Bridge

You are my sunshine, my only one,
My little star, till the day is done.
A love like ours, it will never fade,
In every memory, perfectly made.

Instrumental - piano, strings

Final Chorus

Oh, Smokey, my sweet, tender soul,
Nearly fourteen years made our world whole.
A precious gift, a love so deep and wide,
Forever etched within my heart, you'll bide.

Outro

Now on a paddleboard, beneath the sun's soft ray,
You're sunbathing, waiting for me one sweet day.
Resting peacefully, by waters calm and deep,
Forever in my loving dreams, you softly sleep.

Outro - piano fade

Forever in our hearts
