Roman Reigns' Joyful Light

A Tribute Song

Intro - ukulele, acoustic guitar

Verse 1

A little Frenchie heart, so full of grace
With brindle coat and a happy face
From the first day, my love took hold
A precious story, brave and bold
With snorts and wiggles, you'd greet the day
Chasing shadows in your playful way
My son, my joy, my dearest friend
A love like ours, it knows no end

Chorus

Oh, Roman Reigns, a joyful light
Five wonderful years, shining ever so bright
In every memory, you still play a part
Forever cherished deep within my heart

Verse 2

You had a way, a special charm
Keeping Daddy safe and warm
On Grandma's lap, by Grandad's hand
The best boy, in all the land
Every moment, a happy tune
Beneath the sun, beneath the moon
Your silly antics made us grin
The purest love, from deep within

Chorus

Oh, Roman Reigns, a joyful light
Five wonderful years, shining ever so bright

Roman Reigns' Joyful Light (continued)

In every memory, you still play a part
Forever cherished deep within my heart

Bridge

My wonderful son, I love you so
Though my heart aches, the memories glow
A devastating loss, it's true
But every day, I think of you
You filled our lives, with so much cheer
And chased away, every single fear

Instrumental - ukulele, acoustic guitar, light percussion

Final Chorus

Oh, Roman Reigns, a joyful light
Five wonderful years, shining ever so bright
In every memory, you still play a part
Forever cherished deep within my heart

Outro

Up in heaven, where spirits roam
You found a peaceful, joyful home
Running free, with endless grace
A happy spirit, in that sacred place
Rest easy, my boy, until we meet
Your loving heart, eternally sweet
