Romeo's Gentle Call

A Tribute Song

Intro - strings, harp

Verse 1

A beautiful boy, our bestest friend,
A Japanese Chin, till the very end.
You'd always be talking, a sweet, gentle sound,
On daddy's shoulder, like a parrot you'd be found.

Chorus

Oh, Romeo, our love's sweet song,
For ten precious years, you truly belonged.
A heart full of joy, a spirit so bright,
You filled every moment with love and with light.

Verse 2

At the door, we'd hear your joyful call,
With wagging tail, you greeted us all.
With brother and sisters, a loving sight,
Bringing smiles and comfort, morning and night.

Chorus

Oh, Romeo, our love's sweet song,
For ten precious years, you truly belonged.
A heart full of joy, a spirit so bright,
You filled every moment with love and with light.

Bridge

How much we loved, how much we adored,
Every moment with you, deeply stored.
We can't wait to meet you, where skies are so blue,

Romeo's Gentle Call (continued)

Run into my arms, at the Rainbow Bridge, it's true.

Instrumental - cello solo

Final Chorus

Oh, Romeo, our love's sweet song,
For ten precious years, you truly belonged.
A heart full of joy, a spirit so bright,
You filled every moment with love and with light.

Outro

Now you're running free, with no pain to bear,
With Nanny and Papa, beyond all compare.
A peaceful rest, till we meet again,
Our beautiful boy, forever our friend.

Outro - strings fade
