Jasper's Gentle Bounce

A Tribute Song

Intro - gentle piano, acoustic guitar

Verse 1

The first time your soft nose woke me,
A playful nudge, a morning plea.
My arm became your favorite chew toy,
Filled my young heart with pure joy.
That happy bounce, a joyful flight,
You ran to me, bathed in morning light.
A furry friend, so full of grace,
With mischief dancing on your face.

Chorus

Oh, Jasper, my sweet, happy boy,
You filled my world with endless joy.
Two short years, a precious time,
You'll live forever in my rhyme.

Verse 2

Each walk we shared, a grand adventure,
A bond we formed, beyond measure.
The frisbee flying, paws so fast,
Memories built, forever to last.
Your happy barks, a joyful sound,
The sweetest friend I ever found.
Through fields we ran, beneath the sun,
Our precious playtime, never done.

Chorus

Oh, Jasper, my sweet, happy boy,
You filled my world with endless joy.

Jasper's Gentle Bounce (continued)

Two short years, a precious time,
You'll live forever in my rhyme.

Bridge

My best friend, a truth so clear,
You chased away my every fear.
You truly saved my life, my dear,
Your loving spirit always near.

Instrumental - piano, ethereal pads

Final Chorus

Oh, Jasper, my sweet, happy boy,
You filled my world with endless joy.
Two short years, a precious time,
You'll live forever in my rhyme.

Outro

Now you're watching from above,
Still sending down your endless love.
I see your gentle, happy bounce,
As peaceful sleep takes its account.
