Roman Reigns, Our Everlasting King

A Tribute Song

Intro - upbeat acoustic guitar, light drums

Verse 1

My baby Roman, a joy from the start,
You found your way deep into my heart.
The best thing I ever had, it's true,
Still wish I could be here with you.
Grandma and Grandad miss you each day,
Wish you hadn't gone away.
A handsome Frenchie, with eyes so bright,
You filled our world with pure delight.

Chorus

Oh, Roman Reigns, our king for five short years,
You wiped away our doubts and fears.
A celebration of the love you showed,
On every path and every road.
Oh, Roman Reigns, your spirit's flying free,
A cherished memory for you and me.

Verse 2

You were a handsome boy, with a special flair,
Always thought you were the boss, beyond compare.
With your own mind, so strong and so bold,
A story of mischief, playfully told.
We'd stand from our seats, just for a moment's pause,
You'd jump right in, defying all laws.
Our clever bulldog, with a knowing wink,
More special than we could ever think.

Chorus

Roman Reigns, Our Everlasting King (continued)

Oh, Roman Reigns, our king for five short years,
You wiped away our doubts and fears.
A celebration of the love you showed,
On every path and every road.
Oh, Roman Reigns, your spirit's flying free,
A cherished memory for you and me.

Bridge

Roman Reigns, you are so special, it's plain to see,
A guiding star for our family.
You'll always be in our life, shining bright,
Forever etched in our heart's soft light.

Instrumental - synth pads, guitar solo

Final Chorus

Oh, Roman Reigns, our king for five short years,
You wiped away our doubts and fears.
A celebration of the love you showed,
On every path and every road.
Oh, Roman Reigns, your spirit's flying free,
A cherished memory for you and me.

Outro - piano, light drums fade

Now Roman Reigns, in heaven's golden light,
Still reigning strong, eternally bright.
With daddy, grandma, grandad by your side,
A peaceful rest, where true kings reside.
Though we wish you were still here today,
Your loving spirit lights our way.

Forever in our hearts
