Stormy's Joyful Run

A Tribute Song

Intro - ukulele, glockenspiel

Verse 1

The day we met, my heart took flight,
Your precious eyes, so pure and bright.
A loving gaze, a gentle stare,
My sweet Stormy, beyond compare.

Chorus

Oh, Stormy, my darling, a light in the gray,
For fourteen long years, you brightened each day.
Though tears may still fall, we'll smile through the pain,
Knowing your love will forever remain.

Verse 2

You knew the sound, a friend's soft call,
A tiny meow beyond the wall.
You'd come to tell me, with a playful dart,
My clever girl, with a loving heart.

Chorus

Oh, Stormy, my darling, a light in the gray,
For fourteen long years, you brightened each day.
Though tears may still fall, we'll smile through the pain,
Knowing your love will forever remain.

Bridge

My baby girl, I'll miss you so,
A love like ours will always glow.
But joy fills my heart, my spirit bright,

Stormy's Joyful Run (continued)

You're with your daddy, in heaven's light.

Instrumental - ukulele, drums

Final Chorus

Oh, Stormy, my darling, a light in the gray,
For fourteen long years, you brightened each day.
Though tears may still fall, we'll smile through the pain,
Knowing your love will forever remain.

Outro

Now free and joyful, light as air,
Running with daddy, beyond all care.
Rest peacefully, my love, my dear,
Your happy spirit is always here.

Outro - glockenspiel fade
