Custom Pet Memorial Songs

Keeler, My Gentle Bear

A Tribute Song

Intro - piano, strings

Verse 1

The moment I saw you, my heart skipped a beat,
A chocolate lab pup, so gentle and sweet.
Holding you close, a warmth I adored,
Felt like pure magic, a treasure explored.

Chorus

Keeler, my love, for ten wonderful years,
You chased away shadows and quieted my fears.
A bond woven deep, beyond measure or time,
Forever you're cherished, eternally mine.

Verse 2

My first cuddle each morning, a sweet gentle start,
Your loving presence imprinted on my heart.
And the last cuddle at night, as we drifted to sleep,
The promises whispered, the secrets we'd keep.

Chorus

Keeler, my love, for ten wonderful years,
You chased away shadows and quieted my fears.
A bond woven deep, beyond measure or time,
Forever you're cherished, eternally mine.

Verse 3

You'd halt on our walks, a sweet, stubborn stand,
We'd chuckle and wait, a paw in my hand.
Your sofa, your kingdom, you'd sleep upside down,

Keeler, My Gentle Bear (continued)

My gentle fur kisses, the dearest renown.

Chorus

Keeler, my love, for ten wonderful years,
You chased away shadows and quieted my fears.
A bond woven deep, beyond measure or time,
Forever you're cherished, eternally mine.

Verse 4

On stubborn walks, you'd lay down in your way,
A charming defiance, brightening every day.
Your cozy sofa, a throne you would claim,
I miss your sweet snoring, whispering your name.

Chorus

Keeler, my love, for ten wonderful years,
You chased away shadows and quieted my fears.
A bond woven deep, beyond measure or time,
Forever you're cherished, eternally mine.

Bridge

You were my world, my everything, I will always miss you 'til the day I die,
Sleep peacefully now, my beautiful sweet baby, beneath the soft sky.
Until I can hold you, in a moment so true,
My beautiful sweet baby, I'll be waiting for you.

Instrumental - piano, strings

Final Chorus

Keeler, my love, for ten wonderful years,
You chased away shadows and quieted my fears.
A bond woven deep, beyond measure or time,
Forever you're cherished, eternally mine.

Outro

Now running freely, in fields you adore,
Sniffing the flowers, and playing for more.
With all of your friends, beneath skies soft and blue,
Dreaming of holding you, until I'm with you.

Outro - piano fade
