Pepe's Gentle Whisper

A Tribute Song

Intro - piano, harp

Verse 1

Your tiny paws, a loving grace
A sweet presence, time cannot erase
From the first moment, a gentle paw in mine
A quiet devotion, truly divine

Oh, Pepe, my dear, for nine precious years
You chased away my silent fears
A quiet love, a gentle, loyal friend
Our bond of pure devotion will never end

Verse 2

Side by side we'd softly rest
Your loving spirit, truly blessed
A good boy always, with eyes so bright
Filling my world with gentle light

Oh, Pepe, my dear, for nine precious years
You chased away my silent fears
A quiet love, a gentle, loyal friend
Our bond of pure devotion will never end

Across the green fields, wild and free
Until in my arms, you're held once again

Oh, Pepe, my dear, for nine precious years
You chased away my silent fears

Now running free in endless green
With friends unseen, a joyful scene
Still searching for me, I know it's true
Pepe, my love, I'm waiting for you
