Bennie and Lucylu's Gentle Slumber

A Tribute Song

Intro - piano, acoustic guitar

Verse 1

The day you came, a tiny sight,
Two little shadows, full of light.
My Yorkie friends, so small and dear,
You chased away every fear.
You slept so close, right by my side,
Nowhere else you wished to hide.
And at the door, you'd always wait,
A loyal love, sealed by fate.

Chorus

Oh, Bennie and Lucylu, my sweet pair,
Twelve precious years beyond compare.
Your paw prints etched upon my soul,
Making my broken heart feel whole.

Verse 2

Each evening hour, a special treat,
Your purring presence, soft and sweet.
Just quiet moments, on my lap,
Where perfect peace filled every gap.
Your gentle sighs, a whispered sound,
The truest comfort I had found.
With little barks and knowing gaze,
You brightened all my weary days.

Chorus

Oh, Bennie and Lucylu, my sweet pair,
Twelve precious years beyond compare.

Bennie and Lucylu's Gentle Slumber (continued)

Your paw prints etched upon my soul,
Making my broken heart feel whole.

Bridge

Though tears may fall, and shadows creep,
The love we shared, I'll always keep.
Beyond this veil, I truly know,
We'll meet again, and watch love grow.

Instrumental - piano, violin

Final Chorus

Oh, Bennie and Lucylu, my sweet pair,
Twelve precious years beyond compare.
Your paw prints etched upon my soul,
Making my broken heart feel whole.

Outro

I see you now, on skies so blue,
Still waiting there, for me and you.
Running freely, through the greenest grass,
Our love a bond, forever to last.

Outro - piano fade
