Goofy's Free Run

A Tribute Song

Intro - Acoustic guitar, harmonica

Verse 1

I remember the day you came to stay
With a friendly wagging tail, you chased the blues away
Those loving eyes, so warm and kind
The happiest Spaniel I could ever find.
A heart so full, a spirit bright
You filled my world with pure delight.
Always friendly, always true
My sweet Goofy, through and through.

Chorus

Goofy, my dear friend, it's been seven years we've known
A love like ours, so deeply grown
You left a paw print on my soul
Making every broken piece whole.

Verse 2

Every morning, a joy I still recall
You'd jump into my bed, standing so tall
For cuddling and waking, a gentle nudge
No better way to start the day, I'd judge.
Your happy bark, a welcome sound
The best companion ever found.
Always eager for a game
Calling out your cherished name.

Chorus

Goofy, my dear friend, it's been seven years we've known
A love like ours, so deeply grown

Goofy's Free Run (continued)

You left a paw print on my soul
Making every broken piece whole.

Bridge

Go my friend and run free now, I hear your call
I will honour you by carrying on, standing tall
Until we see us again, beyond the setting sun
Our journey's not yet truly done.

Instrumental - Banjo, acoustic guitar

Final Chorus

Goofy, my dear friend, it's been seven years we've known
A love like ours, so deeply grown
You left a paw print on my soul
Making every broken piece whole.

Outro

Now you're running free in tall grass, ears flying high
Playing with your toys beneath an endless sky
Peaceful slumber, dreams so deep
Forever in my heart, your memories I'll keep.

Acoustic guitar fade
