Casey My Sweet Boy

A Tribute Song

Intro - piano, harp

Verse 1

I remember the day your sweet face appeared,
A little white shadow, so deeply endeared.
From room to room always, you'd follow my stride,
With car rides and snuggles, right by my side.
You taught me excitement for each rising sun,
And how my own heart could be softened by one.
A Bichon's bright spirit, a joy to behold,
A love story written, more precious than gold.

Chorus

Oh, Casey, my sweet boy, my guiding light,
You filled every moment, morning and night.
Fourteen and a half years, a treasure so deep,
A promise of love that my heart will forever keep.

Verse 2

Each morning we started, a brand new design,
To the off-leash park, where your spirit would shine.
Watching you play there, with so much to impart,
Brought endless pride and a smile to my heart.
You put a smile on my face, every single day,
And I told you I loved you, in your special way.
Your happy bright spirit, shined brightly and true,
You brought so much joy to everyone that we knew.

Chorus

Oh, Casey, my sweet boy, my guiding light,
You filled every moment, morning and night.

Casey My Sweet Boy (continued)

Fourteen and a half years, a treasure so deep,
A promise of love that my heart will forever keep.

Bridge

My soulmate, my sweet boy, the love of my life,
You calmed every storm, you eased every strife.

Even now I feel you, so close and so near,
One day we'll be together, with nothing to fear.

In God's gentle presence, a trio we'll be,
United forever, for all eternity.

Instrumental - strings, piano

Final Chorus

Oh, Casey, my sweet boy, my guiding light,
You filled every moment, morning and night.
Fourteen and a half years, a treasure so deep,
A promise of love that my heart will forever keep.

Outro

I feel your soft presence, a comforting sign,
Watching over me, your spirit divine.
In beautiful meadows, with friends you now play,
Awaiting our reunion, one glorious day.

Outro - piano fade
